How does Computer Based Exam work ?

- When arranging bookings with the CBE Centre (AIM Professional Academy), the exams staff will check the identity of the students against their ACCA registration number and will also check the eligibility of the students to take the exam(s) they wish to sit.
- Prior to the exam, the CBE Centre (AIM Professional Academy) will set up time-restricted access to the exams for the students. (The exam must be sat on the scheduled date and time).
- On the day of the exam, the students' identity is checked by the invigilator, further validity and eligibility checks are carried out, and then the invigilator instructions will be read out.
- Students are then asked to start the exam software and input validation details into the software. This will further check their identity and eligibility to sit the exams.
- Instruction screens will be displayed and the students may then start the exam when advised to do so by the invigilator.

- Once the exam is started, the questions are displayed on screen and the answers are input directly onto the CBE software.
- Upon completion of the exam, your provisional result is displayed on screen. Your result will be transferred to your *myACCA* records within 72 hours.
- Students will be asked to print two copies of the Provisional Result Notification; one copy is retained by the CBE Centre (AIM Professional Academy) and the other is for the students' records.

On the day of the exam

- Students are expected to be at the examination venue, AIM Academy, Lower Ground, Tower Training Centre, Tower Road, Swatar half an hour prior to commencement of exam.
- Students must bring their I.D. card and ACCA registration number on the day of the exam.
- The student's identity is checked by the invigilator, further validity and eligibility checks are carried out, and then the invigilator instructions will be read out prior the start of the exam.
- The instructions will not be repeated to those who arrive late.

Only students are allowed at AIM Academy during the Computer Based Exam Session.

If you have selected a Special Centre from the list (please see Exam Centre List) you will be required to pay any invigilation and centre costs involved.
